TERMS OF SALE

1. This is a public auction and mail bid sale, conducted by PONTERIO & ASSOCIATES, INC. Subject to our consent, liberty for bidding by sellers and/or consignors is hereby reserved.
2. A 10% buyers charge will be added to the hammer price of each lot. This charge will be added to all invoices.
3. Subject to paragraph 8, all material shall be sold to the highest bidder as determined by the auctioneer. If any dispute arises during or immediately after the sale of a lot, the auctioneer shall have the right to recall the lot and put it up for sale again. In all cases, auctioneer's decision shall be final. For the bidder's protection, NO "UNLIMITED" or "BUY" BIDS WILL BE ACCEPTED. Bids are to be made in U.S. currency only.
4. Terms of this sale are strictly cash with payment due immediately upon receipt of invoice. Payment by check must be payable in U.S. currency only and drawn on a U.S. Bank. NO credit card purchases will be accepted. Title to all lots remains with consignor until paid in full.
5. Minors are expressly forbidden to bid in this sale.
6. Floor bidders and mail bidders not known to us must furnish satisfactory credit references, sufficiently in advance of the sale to allow for checking, or a deposit equal to 25% of their total bids for that session(s) before such bids can be accepted. Deposits submitted will be applied to purchases and any unused portion of such deposit will be promptly refunded.
7. All bids must be per lot as numbered in this catalogue. No lots will be broken. Lots will be sold in their numbered sequence unless auctioneer directs otherwise.
8. We reserve the right to withdraw any lot prior to the sale and to open the bidding on any lot at a reasonable price.
9. All items in this catalogue are guaranteed to be genuine unless specifically stated otherwise in the lot description. Claims to the contrary must be made in writing within three days after receipt of the lot. Any returned lot must be intact and in its original unopened holder. No lot may be returned without prior written consent. In no event may any lot be returned after thirty (30) days from the date of sale. LATE REMITTANCE FOR PURCHASES CONSTITUTES JUST CAUSE TO ABROGATE ALL RETURN PRIVILEGES FOR ANY REASON.
10. Grading is a subjective description in the opinion of the cataloguer, as to the state of preservation of a particular coin or lot. The term "Proof" or "Specimen" is used to describe a method of manufacture, and not a grade or condition. Such terms are the opinion of the cataloguer and shall be deemed to be part of the description and not an attribution. No warranty, whether expressed or implied, is made with respect to such adjectival descriptions, which can and do vary among experts.
11. This is not an approval sale. Bidders are expected to promptly purchase all lots awarded to them by the auctioneer. Floor bidders are encouraged to carefully examine all lots in which they are interested in purchasing, since NO LOT MAY BE RETURNED BY FLOOR BUYERS, INCLUDING THOSE LOTS WHERE THE BIDDER IS ACTING AS AGENT FOR ANOTHER PARTY, OR BY MAIL BIDDERS WHO HAVE EXAMINED THE LOT PRIOR TO THE SALE.
12. Mail bids will be accepted from those who can not attend the sale in person. Bids for all lots must be submitted in even dollar amounts, or they will be reduced to the next even dollar amount. Successful mail bidders will be awarded the lot at a nominal advance over the second highest mail or floor bid. When identical bids are received by the auctioneer, for a lot, preference is given to the first bid received. A mail bid will take precedence over an identical floor bid. A floor bidder must bid higher than the highest mail bidder to be awarded any lot. The auctioneer reserves the right to refuse any bids, which he, in his sole discretion, feels are not made in good faith.
13. The auctioneer can not be responsible for errors in bidding. Please make certain that you bid on the correct lot and that your bid is the maximum that you are willing to pay.
14. An estimate is provided for each lot. This estimate represents, in the opinion of the cataloguer, the current market value of the lot. Lots may, of course, sell for above or below this estimate.
15. All photographs in this catalogue are of the actual items being sold.
16. Postage, insurance and sales tax, if required by law to be collected, will be added to the invoice for any lot(s) invoiced to successful bidders. All lots delivered in the state of California are subject to applicable sales tax. Individuals purchasing lots for resale must submit an exemption certificate, signed by the purchaser or his agent and recognized by the state of California, with their current resale certificate number or be subject to the sales tax.
17. We reserve the right to require payment in full before delivering any lot to a successful bidder. It is the buyer's responsibility and obligation to have the lots fully insured while in his/her possession. Risk of loss is on the buyer. All lots sent to foreign countries, including Canada and Mexico, will be billed an additional 1/2 of 1% for insurance. The minimum insurance fee is \$5.00. Please send shipping instructions. Normally all lots will be sent via registered mail.
18. In the event a bidder fails to make remittance promptly, auctioneer reserves the right to resell the merchandise and bidder agrees to pay for the reasonable cost of such a sale and also to pay any difference between the resale price and the previously successful bid.
19. If the invoice for the auction is not paid for in full, when due, the unpaid balance will bear interest at the highest rate permitted by law until it is paid in full. If the matter is referred to an attorney for collection, bidder agrees to pay all attorney fees, court costs and other costs incurred by Ponterio & Associates, Inc. The courts of San Diego County, California shall have exclusive jurisdiction and venue over any suit initiated by Ponterio & Associates, Inc. to collect past due invoices and the service of process by certified/registered mail, return receipt requested, shall be sufficient to confer "in personam" jurisdiction over bidder.
20. Auctioneer reserves the right to postpone the sale by auction of the property, for a reasonable period of time, as the result of any act of war, natural calamity or significant relevant event, which, in the judgment of auctioneer, reasonably exercised, make it inadvisable to hold the auction as scheduled.
21. Our ultimate liability for any item is the price paid.
22. By bidding in this sale, bidder personally guarantees payment; if a corporation is the bidder, the officers and/or principals of the corporation agree to personally guarantee payment.
23. All bid sheets submitted by mail bidders must be signed. Company bids must be submitted with the signature of a duly authorized agent of such company.
24. Bidding in this sale constitutes acceptance by the bidder of all the forementioned terms and conditions of sale.

INSTRUCTIONS TO NEW MAIL BIDDERS

Bidding by mail permits you to participate in an auction as though you were attending it in person. The procedure is really quite simple. You tell us what you want, and the maximum amount you are willing to pay. We then, as your personal agent, try to buy the items listed for you at the lowest possible price.

The enclosed mail bid form has two sides for you to fill in. The front side provides all the information we will need to register you as a bidder, execute your bids for you and deliver your lots to you if you are a successful bidder. Please answer all the questions that may apply to you. **DON'T FORGET TO SIGN YOUR BID SHEET.**

On the back side are pairs of columns where you may list your bids. After carefully reading the lot description, write down the lot number and the maximum amount you are willing to pay for that lot. Don't forget that a 10% buyer's fee will be added to your actual purchase price if you are the lucky bidder. Continue to list lot numbers and bids for each of the lots you are interested in buying.

LOT	BID
66	200
89	300
116	350
243	500
354	800

When we receive your bid sheet, we will record your bids at the amount you have authorized us to bid for you, and we will, in addition, note any lots where an increase is authorized if absolutely needed to win the lot. For example, if the sample bid sheet shown at the right were yours, we would enter your bid on lot #66 as \$200. If yours was the highest bid received, you would be the purchaser at \$200. (plus 10%) or perhaps even less. If the second highest bid received on the lot was substantially less, your bid would be reduced to a "normal" increment above that second-highest bid, just as it would be if you were present at the sale yourself to execute your own bids. If you have authorized a percentage increase on the front side of your bid sheet and the bidding by others has exceeded your basic bid, we will then, as your personal agent, increase your bid to the minimum amount necessary to obtain the lot for you. The authorized increase will never be used except when your basic bid is exceeded.

Before you mail your bid sheet, do be sure to check it over to make certain you have bid on the correct lot(s) and that your bids are the ones you are both willing and able to pay for. Enjoy the catalogue, place bids on everything you would like to buy. If time is running out and you feel your bid sheet may arrive too late to be included, you may call our office between the hours of 9:00 a.m. and 5:00 p.m. Monday through Friday, giving us the lot numbers and amount you will pay for each lot, over the telephone. Please make sure you immediately send in your bid sheet for confirmation. Also, you may FAX your bid sheet to us. As your personal agents we wish you every success.

VIEWING OF LOTS

SOME NUMISMATIC REFERENCES IN LITERATURE

Several months ago we received a telephone call from a man seeking a "Moby Dick coin", and wondered if we had one. I advised him that we did not have one in stock but that we had a very nice example in our upcoming auction (April 1997 C.I.C.F). He became excited and asked several questions about its condition, sales estimate and how to become a bidder. He was the successful bidder for the coin and expressed his pleasure with it. I asked if he was going to do a "Captain Ahab" with his coin (nailing it to the mast of a ship); he said "No!".

What was the "Moby Dick coin"? Let's take a look several portions of Chapter 99 of "Moby Dick" or "The Whale" by Herman Melville in which we find "On its round border it bore the letters , REPUBLICA DEL ECUADOR: QUITO. and a few lines further down "Zoned by those letters you saw the likeness of three Andes' summits; from one a flame; a tower on another; on the third a crowing cock; while arching over all was a segment of the partitioned zodiac, the signs of all marked with their usual cabalistics, and the keystone sun entering the equinoctal point at Libra". Quiz time, folks; what is the coin so neatly described by Melville? I did not recall the identity of the "Moby Dick coin" until a short time before this individual called when we had another person inquire about the same piece (yes, I read this book for a high school English class but had a teacher who constantly asked us what Melville meant by various passages or what the symbolism of this, that and the other thing meant - this may explain why I didn't remember many details of the book). The coin described by Melville is a gold Republic of Ecuador 8 Escudos with a face value of 16 or so U.S. Dollars; these were produced between 1838 and 1843 and were in circulation when Melville was writing and probably were used in the U.S. At any rate, this coin represented quite a bit of money for crewmen on a whaling vessel!

Another literary source which contains numerous references to coins is The Bible; most of the numismatic references are readily identified as to general types, but the very names of many coins (shekel, bekah, and talents) referred only to units of weight or value prior to 200 B.C. or so. Several "pre-coin" references include 1 Samuel 9:8 - "Behold, I have...the fourth part of a shekel of silver;..." and 1 Chronicles 21:24 - "So David gave Oran...six hundred shekels of gold by weight." References to actual circulating coins include Matthew 28:28 - "...he found one of his fellow servants, which owed him an hundred pence.", Matthew 20:2 - "And when he agreed with the laborers for a penny a day, he sent them into his vineyard." and Mark 12:41 - "...there came a poor widow and she threw in two mites,...", these and many other examples are found in "Money of the Bible" by R.S. Yeoman. This popular little book was written some time ago but reprints are readily available.

William Shakespeare frequently mentioned coins of his time as well as varied ancient and medieval coins in his works and also alluded to them in manners which are not often understood by us 4 centuries later. Using "Coins In Shakespeare. A Numismatic Guide" by J. Eric Engstrom - a most interesting 67 - page paperback produced in 1964 - as my source, I herein list some of his actual-coin references in alphabetical order:

Angel - "...the report goes that she has all the rule of her husband's purse. He hath a legion of angels." (Merry Wives of Windsor" I.iii.60. A large gold coin in use during Shakespeare's lifetime).

Ducat - "There is a ducat for thee." (The Merchant of Venice. II.iii.4. The ducat was a widely issued gold trade coin in Europe from the time of Shakespeare until early this century).

French crown - "...it is fairer name then French crown." (Loves Labor's Lost. III.i.192. This was a gold coin worth 4 Shillings in the 1570's; silver Ecus were not minted until 1640).

Groat - "What money is in my purse? Seven groats and twopence." (Henry IV, Part II.I.ii.263. Groats were 4-penny coins issued from the late 1300's into the reign of Elizabeth I).

Penny - "A friend i' the court is better than a penny in purse." (Henry IV, Part II.V.i.34. Silver pennies similar to those in this sale were produced for circulation until this century).

Shilling - "...two Edward shovelboards that cost me two shilling and two pence apiece ..." (The Merry Wives of Windsor.I.i.160. The shilling was worth 12 pennies. The "shovelboard" refers to a well-worn, slick shilling of Edward VI used in a game where such coins were slid along a polished board into compartments at the far end; such "smoothies" apparently had a 1 shilling 2 penny premium).

Several allusions to coins or money of account include:

Counterfeit - "Strike me the counterfeit matron." (Timon of Athens.IV.iii.12. Possibly referring to a counterfeiting of an Athenian "Owl").

Dolor (Dollar) - "...thou shalt have as many dolours for thy daughters..." (Macbeth.I.ii.62. This may allude to large silver coins of James V of Scotland [Thistle or Sword "Dollars"]).

Pound - "...a man of fourscore pounds a year,..." (Measure for Measure.I.i.127. There were no pound coins; this represents earnings of 80 pounds of 240 pennies or 20 shillings each).

Sovereign - "'Tis a subject for a sovereign to reason on, and for a sovereign's sovereign to ride on ..." (Henry V.III.vii.38. Gold sovereigns worth 30 shillings were first struck in 1489 and revalued at 20 shillings during the reign of Elizabeth. This refers to the coin itself, to the ruler shown on the coin, and possibly has a pun on betting ["...to ride on."]).

I hope that you have liked this literary outing and encourage you to obtain the books by Misterys Yeoman and Engstrom; I think you will enjoy them.
